

199—31.3(476) Annual filing.

31.3(1) On or before June 30 of each year, all public utilities shall file with the board the following information:

a. An executive summary of each new or revised contract, arrangement, or other similar transaction between the public utility and an affiliate. The executive summary shall include: the document number, the start and end date of the contract, the providing affiliate, the receiving affiliate, the total estimated dollar value, the dollar amount reported for the calendar year, and a description of the service or goods covered.

b. Verified copies of contracts, arrangements, or other similar transactions between the public utility and an affiliate shall be provided to the board upon request. This includes all contracts, arrangements, or other similar transactions as required by Iowa Code subsections 476.74(1) to 476.74(4).

31.3(2) Contracts, arrangements, or other similar transactions with an affiliate where the consideration is not in excess of \$50,000 or 5 percent of the capital equity of the utility, whichever is smaller, are exempt from this filing requirement. In lieu of the filing requirement, the public utility shall file on or before June 30 of each year a report of the total amount of each contract, arrangement, or other similar transactions with affiliates qualifying under this exemption. Each affiliate shall be identified separately.

31.3(3) After an initial filing under rule 31.3(476), a public utility shall file only new contracts or arrangements or other similar transactions and modifications or amendments to existing contracts or arrangements, or other similar transactions on an annual basis. If there have been no new contracts, arrangements, or other similar transactions, the public utility shall file a statement to that effect.

31.3(4) If a new affiliate is created, if an existing affiliate is dissolved or merged, if a contractual arrangement or other similar transactional relationship between the public utility and an affiliate is created, or if a contractual arrangement or other similar transactional relationship is terminated between the public utility and an affiliate, the public utility shall notify the board in writing within 30 days of the date of the event. This subrule does not apply if a proposal for reorganization pursuant to 199—Chapter 32 is to be filed with the board.
